

ART UPLIFTS:

“An exhibit celebrating the Uplifting power of art!”

Art uplifts is in its third year here at the JACC. A community exhibit that celebrates the healing power of art and the strength of the people in our community. Their creations are part of a journey of hope, healing and courage. Art has the power to **Uplift** us and help us navigate life’s challenges: recovery, grief, loss, diagnosis and more. No matter the struggle, situation or journey; Art can Uplift us.

Anyone who has benefitted from the power of “**creative expression**” is eligible to enter. Each “artist” may submit up to two pieces. There are no submission fees for this show.

- Show opens Saturday, June 8th and runs through July 20th, 2024.
- Submissions accepted now through May 17th
- To submit images of your work online, fill out the form here:
